

# KDSPOS

Professional KDS System

Jassway has basically reinvented the kitchen display with the innovative and efficient Kitchen Display System device. The Jassway KDS is easy to install and configure with an existing kitchen workflow - it requires no modifications to the existing POS System, making it POS Agnostic.

## Efficiency matters in every kitchen —no matter what's cooking

- See all your orders on one KDS screen, wherever they're placed.
- Improve communication with a direct line between front and back of house.
- Serve food exactly right the first time with reliable tickets and timers.
